

PERFECT SMOOTH

DURATION:
5-7 MONTHS

Ultra-smoothing treatment for those who want fast drying without using a brush

STEP 1

Apply Chelating shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. On hair that is difficult to manage / curly / frizzy, massage against the cuticle.

STEP 2

Dry the hair completely. Divide it into 4 sections and apply Lumina Smooth about 1 cm from the roots. Distribute evenly using a comb and your hands. Leave on for 50 minutes. Rinse evenly to remove the excess product.

STEP 3

Blow-dry the hair completely. Apply Crystal Oil to all lengths. Separate the hair into thin sections (0.5 cm) and pass the flat iron 10–15 times on each strand at a temperature between 210–250°C, depending on the hair type and how it reacts to the hair color.

STEP 4

Wet hair and apply Smoothing Mask, leave on for 2-3 minutes, and rinse thoroughly. Blow-dry with the hair dryer only.

To make drying easier in all steps, use a flat brush.

PERFECT SMOOTH FOR BLEACHED HAIR

**DURATION:
4-6 MONTHS**

Ultra-smoothing treatment for those who want fast drying.

STEP 1

Apply Chelating shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. On hair that is difficult to manage, curly or frizzy, massage against the cuticle.

STEP 2

Dry the hair completely. Divide it into 4 sections and add violet pigments to Lumina Smooth, then apply it about 1 cm from the roots. Distribute evenly using a comb and your hands. Leave on for 50 minutes. Rinse quickly and evenly to remove excess product.

STEP 3

Dry the hair completely and apply Crystal Oil. Pass the flat iron 10–15 times on each section, adjusting the temperature according to the hair type and how the color reacts (190–210°C).

STEP 4

Wet hair and apply Smoothing Mask, leave on for 2-3 minutes, and rinse thoroughly. Blow-dry with the hair dryer only

PERFECT SMOOTH FOR NATURAL WHITE HAIR

**DURATION:
3-5 MONTHS**

Extremely soft and disciplining treatment for those who want easier blow-drying.

STEP 1

Apply Chelating shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. On hair that is difficult to manage, curly or frizzy, massage against the cuticle.

STEP 2

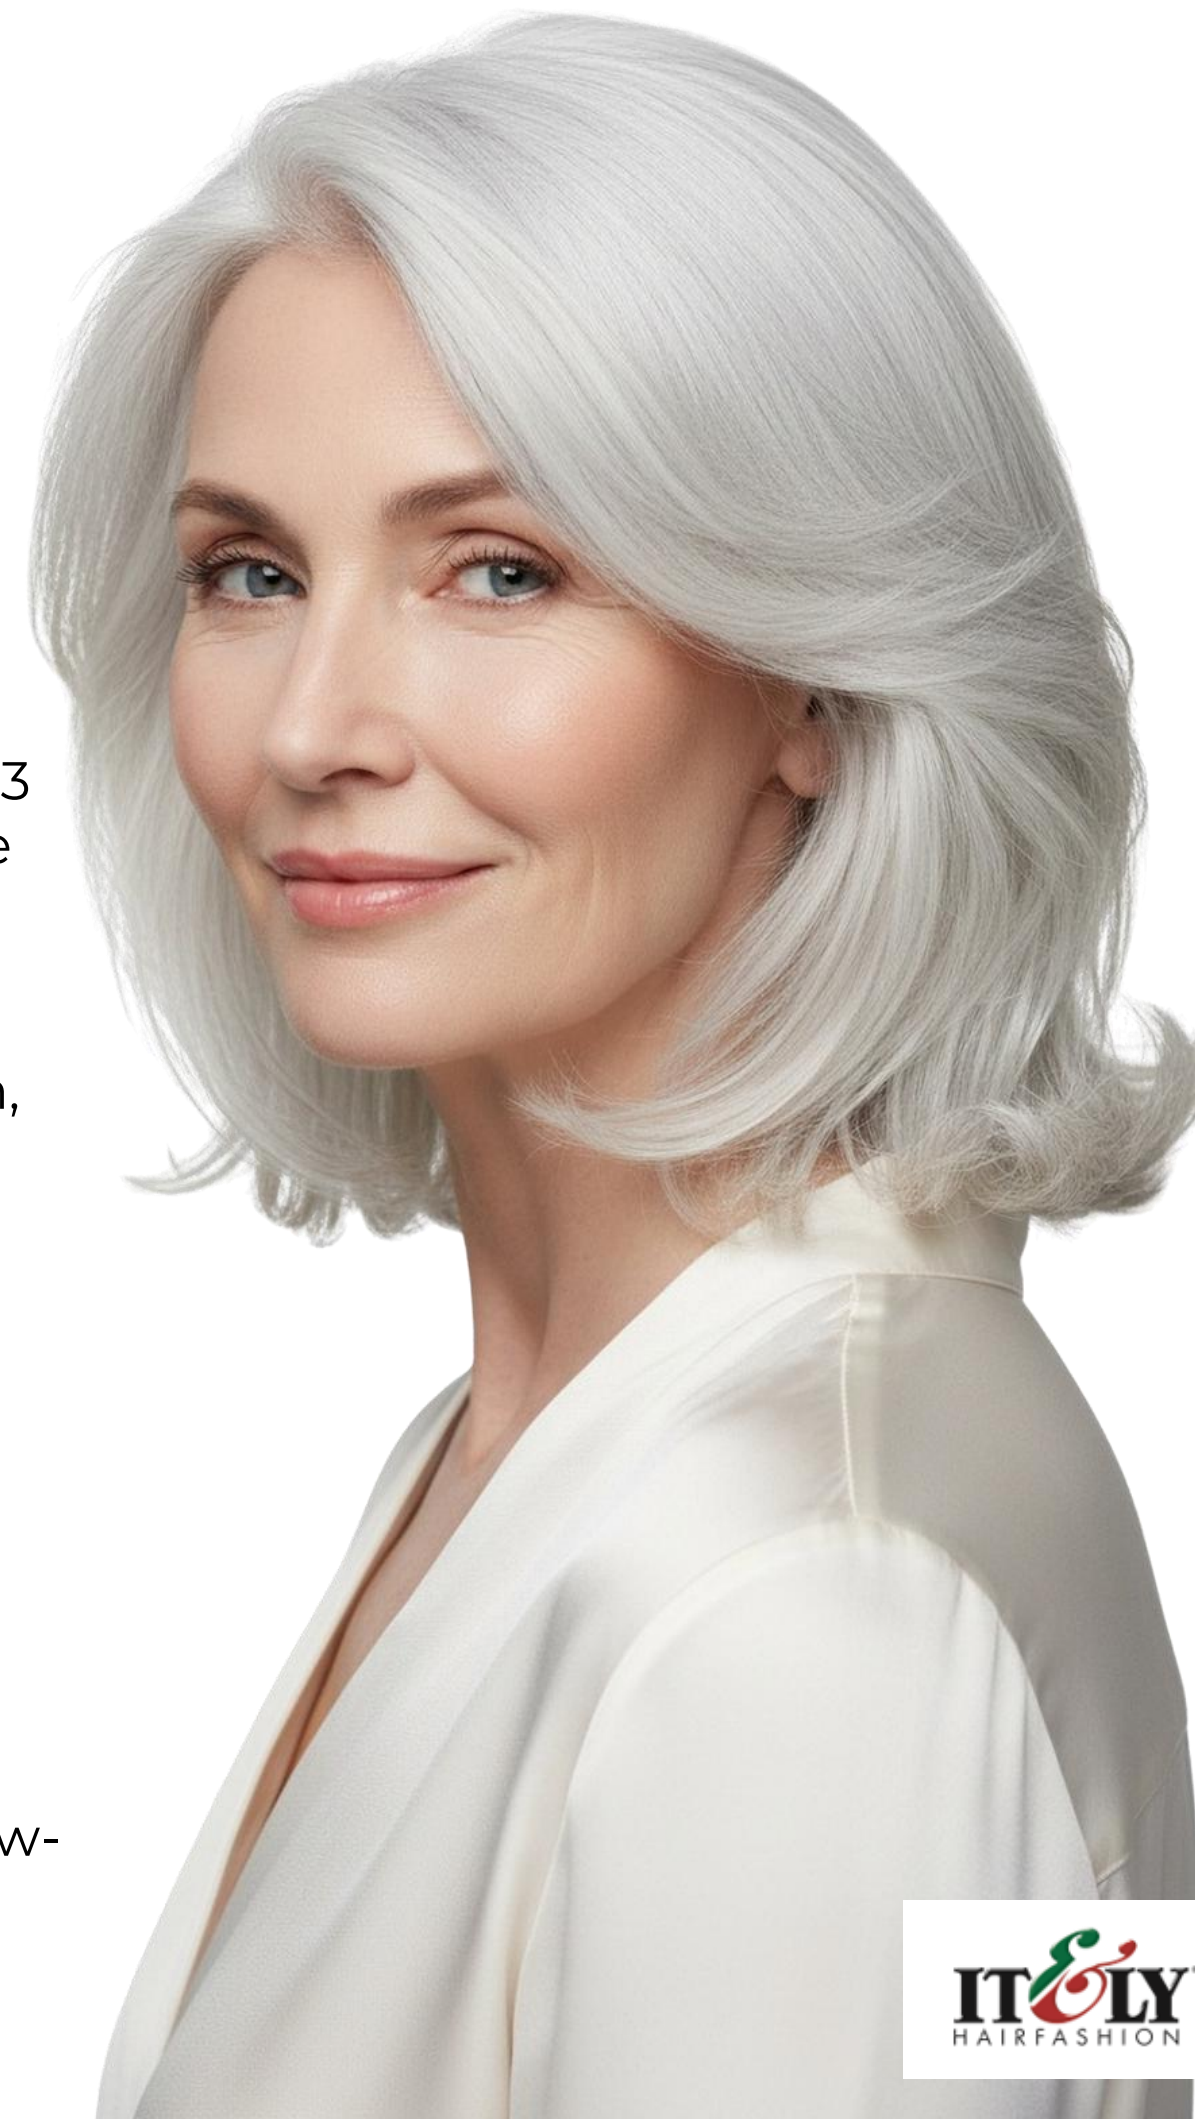

Dry the hair completely. Divide it into 4 sections, add violet pigments to Lumina Smooth, and apply it about 1 cm from the roots. Distribute evenly using a comb and your hands. Leave on for 50 minutes. Rinse quickly and evenly to remove excess product.

STEP 3

Dry the hair completely and apply Crystal Oil. Pass the flat iron 10–15 times on each section, adjusting the temperature according to the hair type and how the color reacts (170–190°C). If the hair tends to turn yellow, reduce the temperature further.

STEP 4

Wet hair and apply Smoothing Mask, leave on for 2-3 minutes, and rinse thoroughly. Blow-dry with the hair dryer only.

DISCIPLINING TREATMENT FOR CURLY HAIR

**DURATION:
2-3 MONTHS**

Treatment designed to discipline natural curly hair.
It eliminates frizz and excess volume

STEP 1

Apply Chelating Shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. Towel-dry the hair.

STEP 2

Prepare a mixture consisting of 2 parts Lumina Smooth and 1 part Shampoo (Silver Shampoo for blonde or white hair; Shampoo Pro for all hair types; Repair Shampoo for severely damaged hair). Apply the mixture evenly to wet hair using a brush and comb. Leave on for 5–7 minutes. Rinse thoroughly to completely remove any excess product.

STEP 3

Blow-dry the hair completely. Apply Crystal Oil throughout the lengths as a heat protectant. Flat iron the hair 4–5 times at a temperature between 190°C and 210°C, working on sections approximately 2 cm wide

STEP 4

The smoothing treatment service is complete. If the client wishes to keep her natural curls: rinse the hair, apply Smoothing Mask and leave on for 2 minutes, rinse, and proceed with blow-drying using a diffuser.

ANTI-FRIZZ DISCIPLINING TREATMENT

**DURATION:
2-4 MONTHS**

Anti-frizz disciplining treatment for perfect hair every day.

STEP 1

Apply Chelating Shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. Towel-dry the hair.

STEP 2

Prepare a mixture consisting of 2 parts Lumina Smooth and 1 part Shampoo (Silver Shampoo for blonde or white hair; Shampoo Pro for all hair types; Repair Shampoo for severely damaged hair). Apply the mixture evenly to wet hair using a brush and comb. Leave on for 15–30 minutes. Rinse thoroughly to completely remove any excess product.

STEP 3

Proceed with blow-drying using a flat brush. Apply Crystal Oil throughout the lengths as a heat protectant. Divide the hair into sections of approximately 1.5 cm and flat iron each section 4–5 times at a temperature between 210°C and 230°C, depending on the hair type.

WOW EFFECT SHINE & DISCIPLINING TREATMENT

**DURATION:
2-4 WASHES**

Disciplining and shine-enhancing treatment.

STEP 1

Apply Chelating shampoo to wet hair and massage until a soft lather forms. Repeat 2 or 3 times if necessary. Towel-dry the hair and blow-dry it until it is 50% dry.

STEP 2

Prepare a mixture with Lumina Smooth, Sealer, and Magic Water.
Example ratio: 20 g of Lumina Smooth, 10 g of Sealer, and 10 g of Magic Water.
Divide the hair into sections and apply the mixture to the lengths and ends, keeping approximately 1 cm away from the roots. Once completed, apply an additional layer of 20 g of Magic Water over the hair. Massage until a light lather forms. Leave on for 10 minutes under a heat source, covering the hair with a cap or turban.

STEP 3

Rinse thoroughly to completely remove any excess product and proceed with blow-drying.

STEP 4

Divide the hair into sections approximately 2 cm thick and flat iron each section 3–4 times at a temperature between 170°C and 210°C, depending on the hair type. Apply a few drops of Crystal Oil to enhance the mirror-like shine effect.
