

DEFENDO

Ideal for thermal protection.
Use Defendo frequently.

HEAT PROTECTOR MILK

- Creates a protective screen
- Protects the hair from heat
- Speeds up drying times

HOW TO USE: spray on towel-dried lengths and ends and comb into the hair to guarantee an even distribution of the product.

Result: protected, detangled and hydrated hair

CRYSTAL OIL

ILLUMINATING SILKY OIL

- Extra bright and Illuminating effect
- Prevents split ends
- Barrier effect against humidity

HOW TO USE: pump a few drops onto the palm of your hand and work along the lengths and ends.

Result: shiny, silky and light hair
